TRILLIUM HEALTH PARTNERS CELEBRATES SENIORS MONTH

Hospital hosts photo exhibit of supercentenarians as part of month long celebration

(Mississauga, ON) – Trillium Health Partners is proud to celebrate Seniors Month. As part of the month long celebrations, the Credit Valley Hospital and Queensway Health Centre will host a special photo exhibit, “Chronicles of Future’s Past”, featuring supercentenarians, people 110 years or older.

“Seniors Month is a time to celebrate seniors’ knowledge, experience, and contribution within our community,” said Andrea Thompson, Director, Primary Care, Rehab, Complex Continuing Care & Seniors’ Services. “Celebrating Seniors Month provides us with the opportunity to share information on health promotion to assist and support seniors and their caregivers.”

The exhibit showcases the works of photographer Jerry Friedman and celebrates lives well-lived and will inspire people of all ages. The will be on display in the Atrium of the Credit Valley Hospital from June 3-9, after which it will be on display at Trillium Way at the Queensway Health Centre from June 10-14. Trillium Health Partners will also host a number of educational events on seniors’ health over the course of the month for hospital employees and care providers.

Trillium Health Partners serves a large seniors community, which is expected to grow by 175 per cent by 2035. Over the last few years, Trillium Health Partners has created and expanded a number of services to enhance the care, health outcomes, and quality of life for seniors, and to help support seniors to stay safely at home as long as possible.
