GROWING BETTER TOGETHER TO MEET COMMUNITY NEEDS

Construction at Trillium Health Partners' Credit Valley Hospital site means changes to ED access

(Mississauga, ON) – Trillium Health Partners (THP) announced today that construction will begin on May 1st, 2015 to expand and improve the Emergency Department (ED) at the Credit Valley Hospital (CVH) site to help meet the needs of our growing community. As a result, a number of changes will take place at the front entrance of the hospital.

In preparation for construction and to ensure the safety of all patients, families & visitors to CVH, the following areas will be impacted:

- **Main Entrance**
 - Due to construction at the Emergency Department entrance, all staff, patients and visitors entering the front of the hospital will use the main entrance, closest to Erin Mills Parkway.
- **Emergency Department (ED) Entrance**
 - The current ambulance bay garage and hospital entrance by the ED will be closed as of May 1, 2015.
 - The ED will be accessible through the hospital's main entrance, closest to Erin Mills Parkway.
- **Ambulance Drop-off**
 - Due to construction of the new ambulance bay garage, ambulance drop-off will be re-routed.
 - Ambulances will enter the inner driveway at the front of CVH. Paramedics and ambulance patients will enter the hospital through the existing Emergency Department lobby entrance.
- **Patient Drop-off & pick-up at main entrance**
 - Patient drop-off and pick-up will take place using the outer driveway only.
 - Designated walkways will be clearly marked to guide patients and visitors to the hospital's main entrance.
- **Mississauga Transit Stop**
 - Mississauga Transit routes 34 and 48 will have no access to the bus stop on the hospital property. These routes will follow detour routing on Eglinton Avenue and Erin Mills Parkway.
- **TransHelp & Red Cross drop-off & pick-up locations**
 - TransHelp & Red Cross vehicles will drop-off and pick-up at the Peel Regional Cancer Centre entrance location only.

Please allow for extra time if accessing the front entrance of the Credit Valley Hospital site.
