To contact an Oncology Dietitian call:

905-813-1100

And ask for:

Ext. 5157  Sue Wales Arnold, RD
Ext. 6120  Natalie Harrison, RD

Benefits of Good Nutrition
Good nutrition is vital at every stage of your cancer treatment and recovery. Eating well gives you energy, helps you heal and recover faster. Eating well also keeps your body strong so that you can cope with the side effects of cancer treatment.

Registered Dietitian

Registered Dietitians (RDs) are health care professionals who are trained to provide advice concerning diet, food and nutrition as it relates to health and disease. Dietitians are registered with provincial regulatory bodies and are committed to providing evidence-based nutritional care.

Services Provided

Oncology Dietitians are available to assist you if:

- You have any cancer-related nutrition questions or concerns
- You are experiencing eating difficulty related to side effects of treatment
- You are experiencing weight loss or weight gain
- You have questions about Natural Health Products and cancer
- You would like information on nutritional supplements (high calorie high protein drinks)
- You would like information on healthy eating to help remain cancer free

What We Can Do

We can answer your questions over the phone or arrange a time to meet you in person.

What You Can Do

- Contact a Registered Dietitian at The Carlo Fidani Peel Regional Cancer Centre for nutrition advice
- Register to attend the Nutrition and Radiation Therapy class by calling the Radiation Reception at (905) 813-4411
