OMA UPDATE

Spring Council Meeting

OMA district and section delegates will meet for the Spring Council meeting on the weekend of May 5th-7th. Please contact your representative for any concerns, input or feedback. In District 5 Deepa.Soni@thp.ca and Mark.Lee@thp.ca are your CVH and Mississauga Medical Society representatives respectively and Rohit.Kumar@thp.ca is one of the District 5 representatives.

Governance Review

The OMA Governance Review committee has worked hard to formulate recommendations for the election and composition of the officers of the Board and composition of the Executive Committee. These will be presented to the Board and then to Council on May 6th and 7th.

New proposals are to allow any council or Board member to be nominated for President elect and Council will vote on the candidates. The proposed new Executive will consist

of three members including President, President-Elect and Chair of the Board. This replaces the previous 6-member succession ladder. Duties of the Executive will be significantly abbreviated and the CEO will hire a professional spokesperson to be the primary media contact.
