

## Vice President & Chief Financial Officer

*We know that to continue to deliver exceptional patient care, we must think and act differently, and take a new and innovative approach to the delivery of healthcare. We envision a new kind of healthcare for a healthier community – an inter-connected system of care that is organized around the patient, both inside the hospital and beyond its walls.'*

Trillium Health Partners is a leading hospital with an outstanding record of performance, fiscal responsibility and quality patient care. The hospital has three main sites – Credit Valley Hospital, Mississauga Hospital, and Queensway Health Centre – offering a full range of acute care services as well as a variety of specialized, community-based programs. In the creation of its new strategic plan, Trillium Health Partners reached out and consulted with 23,000 members of the community to find out what mattered most to them. The result of that dialogue with internal and external stakeholders is a bold blueprint for improvement and transformation. Through your stewardship of an annual billion dollar budget, you will play a pivotal role in support of Trillium's exacting standards of high quality care, education and applied research.

It takes an entire organization in transformational harmony to reach ambitious goals. Reporting to the President & Chief Executive Officer and as a member of the Senior Management Team, you will work collaboratively with your colleagues, physician leadership, staff, physicians and the Board of Directors to create a strategic financial plan that supports Trillium's ambitious goals for patients. In this exciting time of innovation, you will contribute to the leadership direction that ensures that stakeholders, including healthcare partners, the community, donors and volunteers have confidence in Trillium's fiscal direction and performance. As Chief Financial Officer, your leadership and influence will be felt throughout the organization. You will have the opportunity to inspire strategic and innovative financial planning and thoughtful resource allocation. You will also be a source of inspiration and coaching to your financial team as enabling business partners in a climate of complex fiscal challenges.

Likely a Vice President Finance or Chief Financial Officer now, you have proven yourself capable of excelling in a large, complex, multi-stakeholder environments. Having worked with Boards, you have also demonstrated your ability to contribute both strategic and operational financial leadership to delivering on organizational vision and strategy. Trillium Health Partners has set the bar exceedingly high and so will you.
