

Where to Start... Wigs

Resources and information to help you when you want to buy a wig

How can I cover the cost of buying a wig?

- **Use your extended health benefits**

If you have extended health benefits, ask your doctor for a prescription for a wig. If you have a prescription for a wig, your benefits may cover some or all of the cost of buying a wig. Call your extended health benefit company to find out if they cover the cost of wigs under your plan.

- **Claim the cost on your income tax**

You may also claim the cost of a wig as a medical expense on your income tax.

- **Call your caseworker for Ontario Works or the Ontario Disability Support Program**

If you are on Ontario Works or the Ontario Disability Support Program, please call your caseworker to see if there are any other options to help you with this cost.

If cost is a concern, please see the section below titled “Options if you do not have extended health benefits”.
