

TRILLIUM HEALTH PARTNERS RESEARCH ETHICS BOARD (REB) RECRUITMENT

Join Our Team

Do you have an interest or expertise in Artificial Intelligence and/or Machine Learning. Are you interested in a unique experience in the area of research ethics? The Trillium Health Partners (THP) Research Ethics Board (REB) is currently seeking interested and qualified applicants to serve as members of the Board. This is a great opportunity for you to learn about the research studies that takes place in our community, develop research ethics expertise, and contribute to protecting the rights, safety and welfare of research participants.

About our REB

The REB is a body established by the Board of Directors to protect the rights and welfare of human research participants. As an independent body, the REB ensures that all research involving human participants meets current ethical and scientific standards and is in compliance with the applicable regulations, standards, guidelines and policies as they relate to the ethical conduct of research.

What qualifications are needed?

Members of the REB are volunteers who are committed to ensuring that the research conducted at THP serves the unique needs of our diverse community, with the goal of improving health outcomes.

We are currently recruiting for a Board Members in the following area:

- AI Clinician/Researcher

What is required?

Commit time for board meetings including meeting preparation:

- Members must participate in a minimum of 10 (2 hour) pre-scheduled monthly face-to-face/virtual meetings per year. The time needed for review of materials for the meetings can vary depending on the number, content, and complexity of the submissions. Materials are provided one-two weeks in advance of the meeting to ensure enough time is provided for thorough review
- Time commitment involves approximately 6 to 8 hours per month

Participate in Delegated reviews:

- Based on your expertise, Members may be asked to assist the REB Chair/Vice Chair in reviewing minimal risk research studies outside of the monthly meetings

TRILLIUM HEALTH PARTNERS RESEARCH ETHICS BOARD (REB) RECRUITMENT

Training:

- Complete onboarding training, which includes mandatory research ethics training (TCPS 2: CORE-2022, etc.) and reviewing REB Standard Operating Procedures (SOPs)

For more information regarding requirements, please see [Terms of Reference](#)

Note: Any staff member or physician interested in applying for a position on the REB should seek approval from their immediate Supervisor prior to applying.

How to Apply

If you are interested in this opportunity, please email your expression of interest (1 page maximum) and curriculum vitae (CV) to thpreb@thp.ca

Posting will be open until positions filled.

If you have any questions, please contact the THP REB at thpreb@thp.ca or 1-437-777-2083

Thank you for your interest.
